TERMINAL DISCLAIMER

Sir:

The owners, University of Florida Research Foundation, Inc. and Regents of the University of California, of equal interest in the above-identified patent application hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in one or more of 35 U.S.C. §§154 to 156 and 173 as shortened by any terminal disclaimer, of prior Patent No. 5,846,825. The owners hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owners do not disclaim any term that any patent granted on the instant application may be entitled to under 35 U.S.C. §§154 and 156 and the owners do not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in one or more of 35 U.S.C. §§154 to 156 and 173 of the prior patent, as shortened by any terminal disclaimer, in the event that the prior patent later expires for failure to pay a maintenance fee, is held
